Dear Climate Detectives team,

Thank you for submitting your investigation plan to the Climate Detectives 2018-2019! Attached to this email you can find a pdf with the feedback and some suggestions to your project.

Tomorrow, please 2 begins and runs until 16 April 2019. It is now time to investigate your climate problem. In February, there will be an online event to reveal a scientist and we will reveal you more information on this event! Below this email you can find links to supporting materials.

There is a new exciting opportunity for all Climate Detectives teams (12yrs and 16yrs) invites you to apply for the UN 2019 Climate Detectives School Awards! The winning teams will present their findings to an international audience. We can't wait to see! For more information, go to: http://www.eco.org/Education/Climate_detectives/UN_2019_Climate_Detectives_School_Awards/

Good luck for your project!

Kind regards,
ESA Education Team
