Subiect: Climate Detectives - Feedback on your investigation plan

Dear Climate Detectives team,

Thank you for submitting your investigation plan to the Climate Detectives 2018-2019! Attached to this email you can find a pdf with the feedback and some suggestions to your project.

Tomorrow, phase 2 begins and runs until 15 April 2019. It is now time to investigate your climate problem. In February, there will be an online event to meet a scientist and we will send you more information on this soon! Below this email you can find links to supporting materials.

There is a new exciting opportunity for all Climate Detectives teams: ESA and ASI invite you to apply for the LPS 2019 Climate Detectives School Award! The winning teams will present their findings to an international audience, like real scientists! For more information, go to http://www.esa.int/Education/Climate_detectives/LPS_2019_Climate_Detectives_School_Award2

Good luck for your project!

Kind regards,
ESA Education Team
